

Tredyffrin-Easttown Middle School Parent Teacher Organization

Dear TEMS Parents,

The mission of the TEMS PTO has always been to enhance our children's educational experience. We do this by providing a broad range of school programs and activities, gifts of technology, resources and supplies/materials for the classroom beyond what Tredyffrin/Easttown School District provides. Historically, as a non-profit organization we have raised funds for this purpose through efforts, such as directory sales, Spiritwear sales, the book fair and our Parent Social Auction.

Last year we launched a direct donation giving campaign with great success! With your generous contributions we raised \$6,300.00 . Through our Bulldog Grant program for teachers, we have used these funds to gift TEMS the following items thus far: I pads for the Music Department, E-Readers for Reading Teacher's classrooms, library and reading materials, Athletic uniforms, foreign language materials and materials for community service classroom projects.

The TEMS PTO would like to continue the campaign to support the needs of our school. The **"I'm a Bulldog Campaign"** aims to support three general categories with items like but not limited to, the following:

Academics and Technology

Library books

Field trips

Materials and supplies

Technology; smartboards and PCs

Athletics

Uniforms

Sports supplies

Replacement/upgrade of equipment

Facilities

The Arts

Cultural Arts programs Assemblies

Enrichment programs

Music program/supplies

Theatrical school productions

Through the **"I'm a Bulldog"** campaign you can make a direct donation and earmark monies toward the general fund you are passionate about. Many parents have asked instead of participating in various fundraisers... "Can't I just write a check?" This campaign allows that very possibility, but participation is completely optional.

The TEMS PTO is respectfully requesting that you consider making a tax-deductible **family contribution of \$50.00**. Of course, any amount is appreciated, but with your \$50.00 donation, our PTO will be more equip to meet our objective of supporting the education of our children and strengthening their middle school experience.

Every gift is vitally important to our school. All members of our community are encouraged to make a gift that is personally significant. Every gift is a reflection of our dedication to and concern for the education and enrichment of our children.

Please use the reverse side of this letter to make your contribution.

Sincerely,
The TEMS PTO
